

EASIE Living & Demonstration Centre

An innovative approach to providing
services for the disabled and
ageing communities

A Service of Enable New Zealand

Enable
NEW ZEALAND®

Every New Zealander deserves to live the most Productive and fulfilling life they can. Families living with disability or with an ageing family member are looking for more information, advice and products to assist their loved ones to make more of each day.

Our EASIE Living & Demonstration Centre delivers just that. Working together with our support partners, our flagship centre offers a showcase accessible home with smart features alongside a learning and demonstration centre, and brings together a range of possibilities and opportunities in a 'one stop shop' that the community can share.

For further information and to take a virtual tour of our accessible home, visit our website www.easieliving.co.nz or visit our EASIE Living Facebook page.
