

Extending Individualised Funding (IF) Training and Implementation Workshops

As you are aware, the Ministry of Health will soon be extending the national Individualised Funding Scheme to include both Home and Community Support Services, and Respite.

Training and implementation workshops for all IF Host Providers and NASCs prior to the official roll will be held across the country during July and August, with a schedule posted below.

You are invited as a NASC or IF Host to register your organisations attendance at this workshop. Please register early to secure a spot. Lunch, coffee/tea will be provided, and if numbers are tight, preference will be given to NASCs and local IF Host organisations as national/multi centre IF Hosts will have access to attend other training workshops in other centres.

You are also asked to identify any other areas (specific to IF) you would like covered as part of the training.

RSVP details

Please RSVP your organisation/staff member attendance to Robyn Mills by email only: Robyn_Mills@moh.govt.nz by including:

- your name, organisation
- any other areas (specific to IF) you would like covered as part of the training.
- any dietary requirements **no later than 12.00pm Friday 19 July 2013 (Tauranga RSVPs due today 28/6)**
