1	but that's because we will be on CCSM already.	3/19/2015 9:58 AM
2	Could have been more specific, still some questions in regards to this	3/19/2015 8:20 AM
3	It was very disjointed and obviously some managers knew about this and its impact and others didn't. There seemed to be contradictions during the presentation about what was expected of Nasc's and ended with it looking like there would be two software processes to use. This surely is a provider issue between the employer and employee	3/18/2015 3:44 PM

1	Really enjoyed the conference, always a great opportunity to network. I often find it difficult with a majority of the presentations being on disability and elderly and having very little relevance for Mental health	3/19/2015 1:11 PM
2	Still always way too much DSS stuff. Could we maybe change the agenda so we do our breakout groups first and then we can choose whether we listen to the MOH issues.	3/19/2015 9:58 AM
3	We need minutes and actions points. Need to demonstrate to DHBs that their investment in our time and travel shows benefit for our clients and stakeholders	3/19/2015 8:47 AM
4	Always find the information provided at NASCA useful	3/19/2015 8:20 AM
