

**Nomination Statement – Bruce Green**

I have been involved with NASCA for the last 6 years and have been on the Exec for the last 4 years. I trained as a Social Worker and have worked 27 years in Mental Health. For the last 10 years I have worked in the Mental Health NASC at Hawkes Bay DHB and am the current Team Leader.

Over recent years it has been great to see the growth of Mental Health representation in the NASCA membership. For me, NASCA's strength is in having strong representation in all three NASC streams. Developing a representative forum allows us a strong platform to address common issues, work through processes and promote cooperative approaches and solutions to best support those we are working for.

I would like to be elected for another term on the NASCA Executive to continue in this direction."
