

Proshoot Photography Upper Hutt added 4 new photos with Tim Cullinane.

5 June at 11:21 - Edited - @

it is the ultimate compliment to be asked to copy your work or create an interpretation based on your work... local and talented artist Tim Cullinane through Life Unlimited wanted to design and create thank you cards based on photos I shot of the Hutt River for Upper Hutt City Council earlier this year... absolutely I said... go hard... check out his creation... nice work Tim
