

Presenter Jason Bracegirdle

Title Fraud in the health & disability sector

Abstract

An overview of fraud in the Health Sector with particular attention to Carer Support and Individualised Funding will be presented. Information regarding Audit & Compliance, what we do, how we do it and how we can help with issues that may arise will be discussed. Several case studies on Carer Support fraud and Individualised Funding will be presented.

Biography

Jason has worked for the Ministry of Health as a Senior Investigator for 7 and a half years. Prior to this appointment he worked in the New Zealand Police for 15 years as a Detective.
